Genetec

# Connect DX

## VIRTUAL TRADE SHOW APRIL 20-22

Beginning at 8:00 PDT (GMT -7)

Live

### Keynote presentation

Pierre Racz
President, Genetec Inc.

Live

### Technology Roadmap

Christian Morin
VP of Integrations & Cloud Services

Leon Langlais
VP of Infrastructure Product Groups

Live

### Cybersecurity in 2020– what you need to know

Laurent Villeneuve
Product Marketing Manager

Mathieu Chevalier
Lead Security Architect

Live

### Cloud First

A live panel discussion

With invited guests:

Starbucks · BARCLAYS · Uber

### 30+ on-demand sessions including:

Technology discussions | Expert panels and customer interviews | Features addressing emerging challenges | Technical training on latest releases

**Be sure to visit and chat with our sponsors in their virtual booths**

BOSCH · DELL Technologies · AXIS COMMUNICATIONS · HID · OPTEX · zenitel · BCDVIDEO · commend · Hanwha Techwin · intel · i-PRO · VIVOTEK

## ON-DEMAND SESSIONS (AVAILABLE AT ALL TIMES)

| Track | Session title | Language |
|---|---|---|
| Expert interviews | Expert panel: The future of cities with Intel and San Diego | EN, FR, ES, PT |
| Expert interviews | Airport expert panel: Advancements in airport technology | EN, FR, ES, PT |
| Expert interviews | Expert panel: How to drive operational value in energy market | EN, FR, ES, PT, JP |
| Expert interviews | Expert panel: Managing supply chain risk in power utilities | EN, FR, ES, PT |
| Expert interviews | Cannabis expert panel with MedMen | EN, FR, ES, PT |
| Expert interviews | Expert panel with BYU: How to keep students safe in today's reality | EN, FR, ES, PT |
| Expert interviews | Banking interview with Capital One | EN, FR, ES, PT |
| Expert interviews | Transit Expert panel: A secure commute from the fleets to the wayside | EN, FR, ES, PT |
| Helping organisations respond to crises | Using Genetec remote services to secure business continuity | EN, FR, ES, PT |
| Helping organisations respond to crises | Responding to contact tracing requests | EN, FR, ES, PT |
| Helping organisations respond to crises | Securing customers' empty facilities | EN, FR, ES, PT |
| Helping organisations respond to crises | Collect and manage digital evidence, wherever you need to be | EN, FR, ES, PT, KO |
| Product training | Setting up automated and guided response with Mission Control | EN, FR, ES, PT, KO |
| Product training | Navigating dynamic SOPs in a crisis with Mission Control | EN, FR, ES, PT, KO |
| Product training | Protecting video integrity with Video Watermarking | EN, FR, ES, PT, KO |
| Product training | Reporting and understanding data in Security Desk | EN, FR, ES, PT |
| Product training | Remote security monitoring with the Web Client and Genetec Mobile | EN, FR, ES, PT |
| Product training | Unlocking the full potential of the Monitoring Task | EN |

| Track | Session title | Language |
|---|---|---|
| Product 101 | Evolving communications: Sipelia and public address | EN, FR, ES, PT, JP, KO |
| Product 101 | Intrusion Panels 101: Intrusion is everywhere | EN, FR, ES, PT |
| Product 101 | Expand your security system through the Genetec ecosystem | EN, FR, ES, PT |
| Product 101 | Standardizing your security operations across time and locations | EN, FR, ES, PT |
| Product 101 | From alarms to qualified incidents with Mission Control | EN |
| Product 101 | Video analytics 101: Discover the potential of your data | EN, FR, ES, PT, JP, KO |
| Product 101 | Get Cozy with the Cloud: Stratocast 101 | EN, FR, ES, PT |
| Product 101 | Unification: a platform approach to security | EN, FR, ES, PT, JP |
| Product 101 | Omnicast introduction: Working smarter with video | EN, FR, ES, PT, JP, KO, Thai |
| Product 101 | Cybersecurity fundamentals | EN, FR, ES, PT |
| Technology trends | Enhance efficiency and convenience by bringing in building automation | EN, FR, ES, PT |
| Technology trends | The journey from selling ALPR to curb management | EN, FR, ES, PT |
| Technology trends | Leveraging the growth of ALPR data & machine learning | EN, FR, ES, PT |
| Technology trends | Better manage and secure your unmanned infrastructure | EN, FR, ES, PT |
| Technology trends | Demystifying three-tier architecture in Access Control | EN, FR, ES, PT, JP, KO |
| Technology trends | Streamvault: Pre-hardened & validated appliances powered by Dell | EN, FR, ES, PT, KO, Thai |
| Technology trends | Addressing banking and financial trends and challenges | EN, FR, ES, PT |
